Taylor Bros. Co., furniture dealers, besides a large line of pottery and earthenware have added a nice line of hardware, cutlery, house furnishing goods and stoves. The stoves selected by this house to handle are the celebrated "Universal" brand of heaters and ranges. An examination of the goods and prices will insure the custom of all intending purchasers for the Taylor Bros. Co.

It is very evident to the Enquirer readers that Jim Clove has been kicked off the editorial page of that paper.

The democratic party owes no man anything. Its conventions consider the qualifications and ability of the men for office before they nominate them. Party workers only are considered for the ticket by democrats as is the case with republicans. The Enquirer is right.

The sad sad news is being chronicled today that John Coltrane the hub of the local republican party, has been indicted. Last night an acquaintance costed him thus: "Well, my democratic friend! 'Don't call me that,' said John, 'I'd rather you'd take a gun and 'ow my brains out.' 'At what part of your anatomy would I shoot?' inquired the acquaintance.

Dr. Price's Cream Baking Powder Most Perfect Made.

The trains carried a great many conference and fair visitors out of Provo today.

The factory is not running today. The majority of the employees are in Salt Lake.

The supreme court is in session at Salt Lake today. All the judges are in attendance, and in consequence there is no session of court here today.

Have you noticed it? Every democrat you meet on the street comes up with a smile and a hearty shake of the hand that says louder than words, "the country is safe," and whenever a group of democrats meet peal after peal of happy laughter rings out, while with the republicans it is just the reverse.

Hood's Pills cure nausea, sick headache, indigestion, biliousness. Tidy a box.

Call at Farrer Bros. & Co. and see the new dry goods.

Ladies' shoes at 90c and \$1.00 at Irvine & Barney's.

Masses, Neilbar & Wilson with characteristic enterprise have put Lemps celebrated keg beer on sale at the Occidental. The good old orthodox price of this peerless product is 5 cents per glass.

After pianos and one hundred organs on easy terms at Taylor Brother company.

Our fruit boxes are made of the clear Oregon pine. They are the best in the market.

For all reasonable groceries at lowest prices call at Boshard & Saxey's. 65,000 Friends. Suppose a man could control 65,000 votes in a state election. Wouldn't he be much trouble making him governor, would there? Safe to say that no man has 65,000 personal friends. That's where an excellent nature, for THE EMERSON PIANO has five times 65,000 friends. There is an average of five persons in every house. Sixty-five thousand houses have Emerson pianos in them. Everybody who ever examines an Emerson straightway becomes its friend. The logic is plain. Come in and be introduced at Taylor Bros. & Co.

Stoke your wheat with the Provo Milling Co. D. R. Beebe, Mgr.

This shoe department at T. G. Webber's has given immense satisfaction, call and inspect it.

Some beautiful fall dress goods are shown at T. G. Webber's.

Men's heavy leather boots for \$1.50 at Irvine and Barney's.

Flannels, flannels, flannels and all goods needed at this time of year are selling cheaper than ever at T. G. Webber's.

You can buy silks for ladies' waists at 25 cents per yard at Irvine & Barney's.

SATTEENS in dark shades ten cents, and upwards at T. G. Webber's.

Buy your ladies' fine shoes at Farrer Bros. & Co.

The styles and finish of the Taylor Bros. Co. stock of Glassware and Crockery are as unapproachable as in their wonderfully low prices. Ladies it is the place to supply your wants in this line.

The republican party is a party of sham, and a great many individual republicans are men of sham. The Enquirer is howling that the republican party is a party of reduced salaries and points to J. D. Jones when he was probate judge and says: "He learned last year that he could reduce his salary 25 per cent." It is forgot (?) to say that he was entitled only to \$4.00 a day for work actually done, but that he succeeded in bleeding the public out of more than \$8.00 for every working day in the year. No wonder he learned that he could reduce his salary 25 per cent. His cry of economy was nothing but sham. He did not call a halt one day too soon. Every man on the democratic ticket is an honest man and the people are going to vote that ticket straight.

A late issue of the Nephi Courier says: "We regret to note the fact that the superintendent and salesmen of the Wrought Iron Range company of St. Louis Missouri, who have been associated with us for the past two months, are about to take their departure for a new field of labor. While here they have disposed of a large number of their celebrated Home Comfort steel cooking ranges, and as far as we have been able to learn are giving excellent satisfaction, being all that was claimed for them. The conduct of the salesmen representing the above named company while here has been that of gentlemen worthy of the respect and confidence of any community, and we take pleasure in recommending both the salesmen and their ranges to all with whom they may come in contact."

When So Many people are taking and deriving benefit from Hood's Sarsaparilla, why don't you try it for yourself? It will build you up. Hood's Sarsaparilla overcomes weakness.

The Utah Valley Iron paint has no equal. For sale only by A. O. Smoot.

LUMBER dealers and contractors can save money by sending their orders for mill work to Geo. W. Mickel, Provo.

This cheapest place for fruit boxes and ice keepers' supplies is at Geo. W. Mickel's, Provo.

STAVES, \$1.45 for five gallons at Boshard & Saxey's.

J. R. TWELVES, Cashier.

IRVINE & BARNEY have just received a complete line of crocheted cotton, 50 colors, 6c a ball.

Ready made Suits at Provo Woolen Mill company.

LOST—Two mares. One is light bay, has three white feet, strip in face, branded DEE on left thigh. The other is a dark bay shod on front feet. The animals strayed from Evanston, Wyoming. Their range has been in the vicinity of Santaquin, and it is thought they have returned. Information leading to their recovery will be suitably rewarded by T. B. Heelis, Santaquin.

WOULDN'T they like to get even though? THE DISPATCH exposed the republican troubles in the Fifth ward and told of some of the other many factional fights the reps are having throughout the county and territory. Now the Enquirer pounces onto the innocent Ladies' Democratic society. He's a brave (?) writer that, to attack the women, and with nothing whatever on which to base his charges other than the alleged fact that one or two tender-hearted chickens felt a little aggrieved because they didn't get an invitation to a banquet. This has nothing to do with politics.

CHRIS CHRISTIANSEN a well-to-do bachelor of Park City hanged himself in his cabin yesterday morning. Late Christianesen has complained of absence of memory and periods of mental abstraction, dizziness, and stupor, of which afterwards he had but faint realization of what had transpired. Undoubtedly he was in one of these fits when he suicided. He had been making preparations to visit Denmark, his native country.

That Joyful Feeling.

With the exhilarating sense of renewed health and strength and eternal cleanliness, which follows the use of Syrup of Figs, is unknown to the few who have not progressed beyond the old time medicines and the cheap substitutes sometimes offered but never accepted by the well informed.

He Likes the Home Comfort

ALAMOGOSA, Colo., Feb. 15, 1894.—This certifies that I purchased from the Wrought Iron Range company a Home Comfort steel range, No. 64, eight years ago, and I find it to be the best cooking stove I have ever used in my house. It has neither warped, cracked nor burned out, and is today as good as the day I bought it. For saving of fuel it has no equal—convenient, bakes quickly and evenly, needs no repairs. Too much cannot be said of the Home Comfort. I have moved it over several states and will never part with it. I recommend it to all, no matter what kind of a stove they may be using.

O. H. McNEELAN.

The best pavilion in the valley at Geneva for dancing, and it is free. A QUIET Saturday.

THE Wrought Iron Range company of St. Louis, Missouri, with headquarters for Utah county here in Provo, report a very satisfactory business. Superintendent Brown is very energetic in pushing the business, and is well assisted by an able corps of salesmen. He informs a DISPATCH reporter that they have their first dissatisfied purchaser yet to find. In every base the range they sell gives the utmost satisfaction. After a thorough trial of the Home Comfort range the most flattering testimonials follow, and those in the columns of this paper are only a few of the many on file.

ANDREAS ANDERSON and Peris Hutchison, both of Lake Shore, were married today by Judge Dusenberry.

DOUGLAS A. SWAN of the First National bank yesterday used a blackboard owned by Havercamp & Co. on which to announce to the public that he is buying court scrip. This fact was enough to make Jim Clove say through the Enquirer that Deputy Clerk Havercamp ought to be indicted by the grand jury. Havercamp & Co. are purchasing all kinds of scrip and security, except district court scrip and the Enquirer can't drive them out of the business.

THE Timpanogos society is a secret organization only to the extent of keeping republicans out of it and ignorant of its workings.

AND still no further news comes from Chief Fowler's posse in the San Rafael mountains. As time goes on fears are greater that Sheriff Burn's rangers have escaped.

SENATOR Jones scolding Ohio for the democracy many republicans have about taken as the sure defeat of Governor McKinley and the death knell forever of McKinleyism.

Mrs. C. M. WARD who has been visiting with friends and relatives here for the past three weeks leaves this evening for her home in Salt Lake city.

REPORTS from the fair are very glowing.

CONFERENCE this year is attended well.

WHERE is the conference storm?

The beauty contest at the fair this evening attracted many of Provo's fair damsels.

The Timpanogos society meets this evening in its parlors in the Gates-Snow building.

The town seems deserted today.

SENATOR CONRAD left at this office today a sample ear of his celebrated Macedon corn.

Use It New Years.

MONTE VISTA, Feb. 26, 1894.

To my friends and the public.

I wish to say that after ten years of constant use of the famous Home Comfort steel range made by the Wrought Iron Range company of St. Louis, that I cheerfully recommend it to any one desiring a first class range. I would not change my range today for any stove or range I have ever seen.

Mrs. H. EASTLE.

A Word of Praise.

MANLY, Utah, March 14, 1894.—I cheerfully say a word of praise in addition to the many who have already expressed their satisfaction for the merits of the Home Comfort Range. I have found upon a practical test that the range is in every respect fully as good as you represented it before purchasing it, and consider it one of the best investments I have ever made for an article of domestic use.

FREDERICK ALDER.

Our Baby Boy

suffered Intensely From Impure Blood

Will Perfectly Cured by Hood's Sarsaparilla

HARVEYVILLE, KANSAS.

"O. I. Hood & Co., Lowell, Mass.:

"Our little baby boy is now almost two years old. When he was about six weeks old there appeared a breaking out on his head and breast. We tried various salves and ointments, but it

Continued to Grow Worse

And we took him to a doctor. He said it was scrofula, but his treatment failed, and we called upon three other physicians, who termed it salt rheum or eczema. Even then he grew worse. A crust would gather on his head as thick as a quarter and puff up with corruption. Then it would come off, taking the hair with it. About three months ago we resolved to try Hood's Sarsaparilla and Hood's Olive Ointment. Today we are happy to say that Burton is now

Entirely Well.

The sores have all disappeared, and his hair is growing nicely. He has only taken one box of Hood's Sarsaparilla and used one box of

Hood's Sarsaparilla Cures

Ointment. We can now recommend Hood's Sarsaparilla to others, and truthfully say it has worked wonders in our little boy's case. I have also been taking Hood's Sarsaparilla for indigestion and liver trouble and am improving right along." DAVID A. KING, Harveyville, Kansas.
